Honorable Senator Darwin Booher
P.O. Box 30036
Lansing, MI 48909-7536

REF: Support of Senate Bill 400 of 2017

Senator Booher,

We represent the local law enforcement agencies which serve Roscommon County. As you know, part of that service relies upon our citizens' ability to utilize the 911 system and related technologies to call for, and receive, help when needed. We are aware that the current funding model can no longer support 911 as well as the implementation of Next Generation 911 (NG911) technologies. As such, we support Senate Bill 400 because it will establish a stable funding model for 911, locally and statewide, and would further fund critical updates to NG911 technologies. We urge you support our local 911 system by voting in favor of SB400.

Respectfully,

Brian Hill, Gerrish Township Police Chief

Dallas McGeary, Denton Township Police Chief

Frank Anthony, Richfield Township Police Chief

Ed Stern, Roscommon County Sheriff
